Ex. Oil & Gas Field Artificial Lift (ESP) Commissioning Engineering.

Where you Located :- Thangassery - Kollam, Kerala.

A keen observer of the social menace created by the inefficiency of the management governed by selfish motives.

Innovations leading to the betterment of our fellow beings always had been a fascination and will always linger over my eyes.

May be due to the Introvert nature of mine, I always walked alone on different paths and on opposite directions.

A small light of hope is still there far away somewhere.

**Adersh**

M.A.S Cyber Security and Forensics

CISO Coordinator

Where you Located :- Karunagappally
